The library has a  
sensory tent and  
Magic Table that I  
can use

The library also has a  
sensory pod that I  
can use

I can sit and colour a colouring page in the children's area.  
I can sit and read a book in the young adult area.

There is a toilet in the library  
that I can use

I can also use the computers  
in the library and I can ask the  
Staff for help

There are newspapers and magazines that I can read in the library

I can use the study area in the library

There are fun events  
at the library!

I can ring the library  
on (067 34404) to find  
out when they happen  
or I can look at their  
website

There are lots of fun things to do in the library but sometimes it can be a bit noisy

If I find things a little bit overwhelming  
I can ask for help

# These are library cards

I will get a library card when I join the library

In the library there are shelves of books, audio books, CDs and DVDs that I can borrow

Before I bring my items home, I will bring them and my library card to the desk for the librarian to check out

I can also bring  
my items to  
the  
self service  
machine  
to check out

I can keep my items for three weeks  
and then I bring them back to the Library  
I can return the books at the desk or I can  
use the self service machine

I like visiting the library!
