## Social Story

# This is my Library: Templemore Library

# Meet the Librarians: Mags & Rachel

If I am nervous or need assistance I can ask them for help.

In the library there are shelves of books, audio books, CDs and DVDs.

There are Newspapers, magazines and puzzles.

And also colouring sheets and some toys.

I can also use the computers in the library.

There are fun events  
at the library!

I can ring the library  
to find out when they  
happen or I can look  
at their website.

There are lots of fun things to do in the library but sometimes it can be a bit noisy.

If I find things a little bit overwhelming I can ask a librarian for help.

The library also has a sensory tent that I can use.

# These are library cards

I will get a library card when I join the library.

I can use my library card to borrow Books, AudioBooks or DVDs from the library.

Before I bring my items home, I will bring them to the desk for the librarian to check out.

I can also bring my items to the self service machine to check out.

I can then bring my items home.  
I will look after them carefully.

I can keep my items for three weeks.

When I am finished with my items I will bring them back to the library.

I like visiting the library!
