In the library there are shelves of books and audio books, that I can borrow.

Adult Fiction Area

Children's Area

**There are colouring sheets
in the children's area.**

I can sit and read in our reading area.

Or inside the window.

There are daily newspapers and magazines I can read.

With my Library card, I can use the computers in the library.

There are fun events at the library!

Sometimes they can make it a bit noisy.

**There is a sensory area I can use
if I find the library a bit overwhelming.**

There are many items to choose from at the library.

Before I bring my items home, I will bring them to the desk for the librarian to check out.

Or I can bring my books to the Kiosk to check them out myself.

I can keep my items for three weeks and then I can bring them back to the Library.

I can return the books at the desk or I can use the self service machine.

I like visiting the library.
