This is Killenaule Library.

Killenaule Library is inside the Slieveardagh Rural Development Centre on River Street.

Meet the Librarian. Her name is Claire.

If I am nervous or need assistance I can ask Claire for help.

In the library there are shelves of books and boxes of books.

There are fun events in the library sometimes!

I can ring the library to find out when they happen or look at the library website.

The library is a fun place, but sometimes it can be a bit noisy.

The library has a sensory tent that I can use if I need a quiet space.

There are toilets on the way into the library.
If I need to use them I can ask Claire for the key.

These are library cards.

I will get a library card when I join the library.

I can use my library card to borrow books from the library.
Before I bring my books home I will bring them to the desk for Claire to check out.

I can then bring my books home.

I will look after them carefully.

I can keep my books for three weeks.

When I am finished with my books I will bring them back to the library.

I like visiting the library!
