WELCOME TO CASHEL LIBRARY

Social Story

This is my library
It is Cashel library

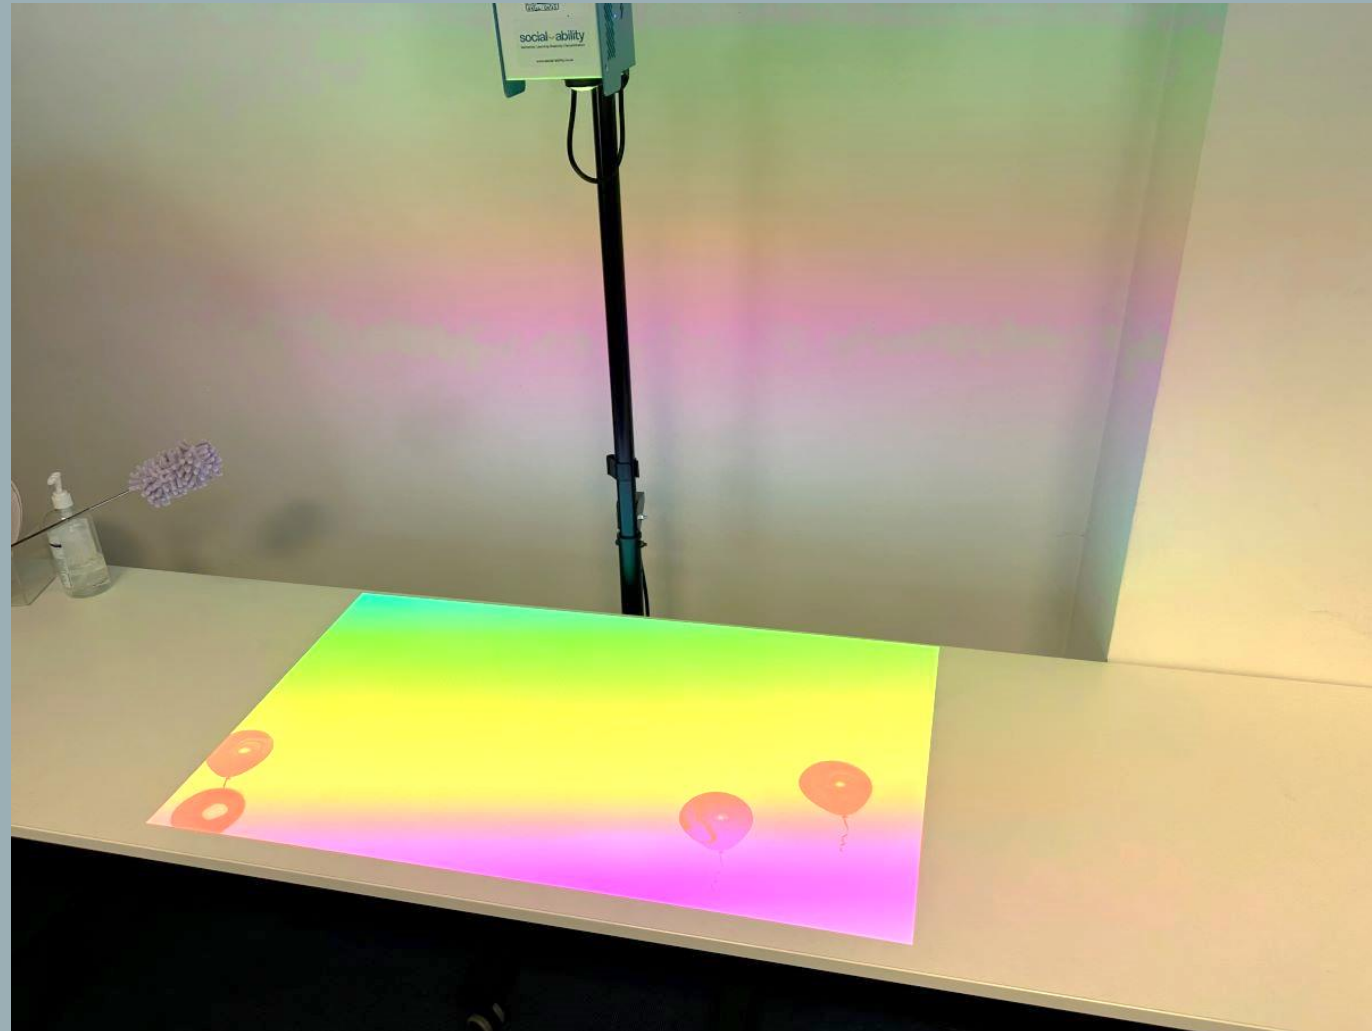

When I come in I can see the adult books area and library staff at the front desk.

The children's area has lots of books
I can sit and read or colour a picture there

I can play games on the Magic Table there

I can also study or use the computers

I can borrow toys from the toy library
I can keep the toys for three weeks and then I
return them to the library

I can sit at the window and read newspapers
I can look at the exhibition of work on the wall

There is a second floor in the library
I can walk up the stairs or I can enter the lift
to get to the second floor

There are toilets on the first floor and the second floor of the library

There are many events in the library.
They are fun and can be noisy but that is ok.

If I feel overwhelmed I can sit in the tent in the children's area and play with the sensory toys

When it is time to leave the library
I will check out my books using my library
card

The library staff are friendly
They can help me to check my books
in and out of the library

I can also check my books in and check my books out at the kiosk

I will keep the books for three weeks and
then return them to the library

I will mind the books
