

A Visit to Thurles library.

Comhairle Contae Thiobraid Árann
Tipperary County Council
Library Service

This is the entrance
to Thurles Library

There are friendly staff to help me when I arrive in the library.

There is a toilet in the library that I can use.

In the Library there are shelves of books, audio books, CD's and DVD's.

I can sit in the library and read the books or newspapers.

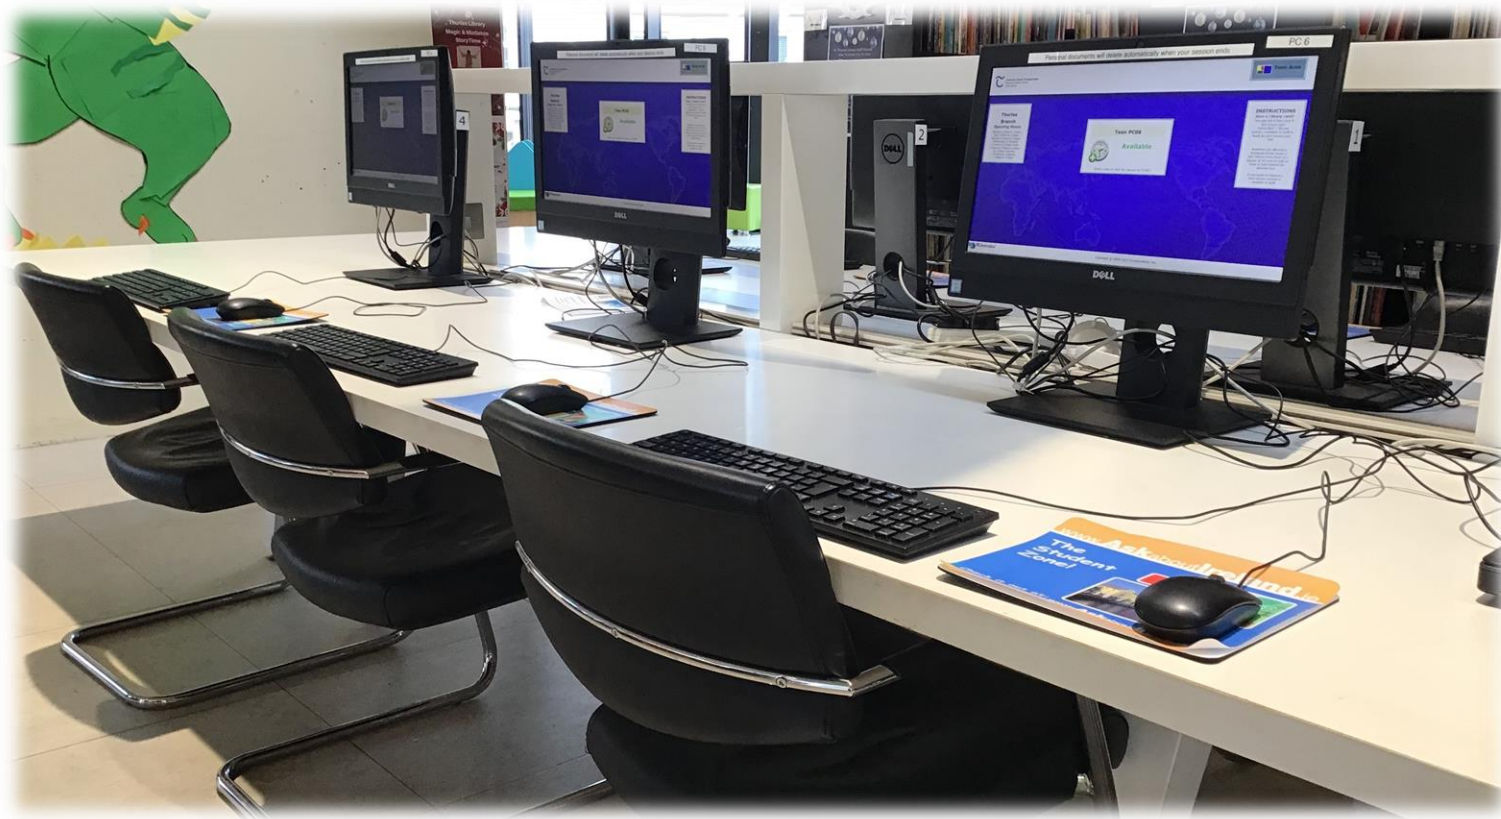

There are lots of areas in the library where I can sit to read, or study or colour pictures.

I can ask the Librarian for colouring sheets and colours.

I can also use the computers in the library.

There is also a Magic Table I can use. There are lots of games I can play.

There are fun events at the Library.

I can ring the Library to find out when they happen or I can look at their website or social media.

There are lots of fun things to do in the library but sometimes it can be a bit noisy.

If I find things too noisy
I can ask a Librarian for
help.
The library also has a
sensory tent that I can
use.

Library Cards

I will get a membership card when I join the library.

The grey card is for adults.

The white card is for children.

I can use my library card to borrow books, audio books or DVD's from the library.

Before I bring my items home, I will bring them to the desk for the Librarian to check out.

I can also bring my items to the self-service machine to check out.
Then I can bring my items home.

I can keep my library items for 3 weeks.

I can return my items and get new items every time I visit the library.

I like visiting
Thurles Library.
